Mr. Emilio Amendola
A&G Realty Partners, LLC
445 Broadhollow Road Suite 410
Melville, NY 11747

Dear Emilio:

When we announced that we had reached an agreement to acquire Charming Shoppes, we also announced that we had made the difficult decision to cease operations at the Fashion Bug retail chain so as to focus our attention on our higher growth divisions. We went through a thorough review of service providers which could assist us in our negotiations with the Landlords. We are pleased that we selected your company. We had the confidence that A&G Realty Partners would be able to execute this project which required the resolution of complex lease negotiations covering approximately 300 store leases in a short period of time.

We appreciate how you worked with us to clearly define a strategy and how you kept us informed of your progress on a regular basis. The speedy and efficient termination of leases and the assignment of over 100 locations to various retailers exceeded our expectations. In addition, your team accomplished this while maintaining our important relationships with the landlord community.

We appreciate the guidance and planning that A&G provided us. Emilio, our association with you and your team was both productive and successful.

Regards,

A handwritten signature in blue ink, appearing to read "David R. Jaffe", is written over a light blue circular stamp.
