**A&G Realty Partners Retained by RadioShack to Manage Sale of Stores and Warehouses**

**A&G to Assist in Strategic Consolidation and Selling Leases Nationwide**

**Melville, New York, February 9, 2015** – A&G Realty Partners, a leading commercial real estate, advisory and investment group, announced today that it has been retained by RadioShack to manage the sale of retail store leases and warehouses following the company's recent Chapter 11 bankruptcy filing.

A&G Realty is currently accepting bids on the leases, which range from 1,200 to 5,300 square feet located in many of the major retail markets in the country including prestigious locations in NYC, Chicago, Los Angeles, Dallas, Puerto Rico and Miami. "The company has done a great job with their real estate and are well positioned in key retail street, strip and mall locations. By taking assignment of leases, retailers have the opportunity to enter new markets and gain access to projects they may have previously been unable to penetrate. The availability of these leases is expected to attract interest from many national and local retailers," said Andy Graiser, A&G Co-President.

"We expect store closing sales to move very quickly and there will be several waves of store closures. It is important for interested parties to move quickly on submitting offers for leases before the store closes," said Graiser.
